

It's Huge Again! Fuccillo Donates \$57,300 to Equinox for Domestic Violence Services

Equinox received a (huge) check for \$57,300 from the Fuccillo Automotive Group to support our services to domestic violence survivors and their children at a ceremony on November 10. During October, Billy Fuccillo pledged to donate \$100 for every car sold at any of his dealerships to organizations providing domestic violence services. Equinox was one of five agencies statewide to benefit from the Campaign.

Equinox was delighted to be a recipient of this campaign for the past two years, and is overjoyed that he chose to partner with us again.

This donation will help Equinox continue to ensure that domestic violence survivors and their children get the desperately needed assistance to escape their abusers and build a safe and independent future.

We are also deeply appreciative that during October Mr. Fuccillo used his frequent commercials to raise public awareness about domestic violence and where those in need can get help.
